More than 40 pro teams will be using Vittoria tires in 2019

#VittorialsVictory

Considering all the numerous components and accessories of a bike, the tire is the only point of contact with the ground. For this reason, one of the most crucial choices pro teams have to make at the start of the new season is the tire choice. The tire brand, the tire model, the tire size and the tire compound are all variables capable to determine one rider's victory. It's all about one second, one centimeter.

We are very proud to be the tire choice of more than 40 professional teams worldwide in 2019 - considering both MTB and Road teams. Among the World Tour teams that chose Vittoria, there are:

- Team Dimension Data for Qhubeka
- Team Education First Pro Cycling
- Team Lotto Soudal
- Team Jumbo – Visma
- Team UAE

In addition to these, many other UCI Continental teams, women pro teams, juniors pro teams and national federations have chosen to rely on Vittoria tires. Have a look to the complete list [HERE](#).

Since January 2019, Vittoria tires collected more than 100 victories considering all professional categories and disciplines worldwide #VittorialsVictory. An incredible number indeed! Many of these successes have been achieved using the brand new #VittoriaCorsa tubeless-ready GRAPHENE 2.0 tires. Discover the secrets of Vittoria's road tires [HERE](#).

Considering mountainbike, many XC teams competing at international level will be using Vittoria tires:

- BMC MTB Racing Team
- Carabinieri Olympia Vittoria
- EBE Racing Team
- Moebel Maerki
- Wilier Force 7C Team

These and many other teams will rely on the best XC tires that Vittoria has to offer: #VittoriaMezcal, #VittoriaBarzo and #VittoriaPeyote are now available with the extremely light XC-Race casing, with 4 compounds tread and GRAPHENE 2.0. Discover the secrets of Vittoria's MTB tires [HERE](#).

Beside being an honour for Vittoria, to be chosen as trustee tire providers by so many professional teams allows us to constantly improve our tires. Who better than pro riders can push our tires beyond their limits? Whatever the cycling discipline, Vittoria is the #1 tire choice of the winners.
